

# Firefly + **RingCentral** : Smarter Communication. Stronger Connections.

Firefly brings you RingCentral's industry-leading cloud communications platform — combining voice, video, messaging, and contact center technology to help your teams stay connected from anywhere.

## **Your Trusted Advocate:**

Firefly makes it easy to compare, source, and deploy RingCentral's portfolio of cloud solutions — without the complexity. We handle the research, pricing, and project management, so you can focus on your business.

## **All-in-One Communications:**

Voice, video, chat, and contact center — all integrated into one powerful platform for seamless collaboration and customer engagement.

## **AI-Powered Efficiency:**

Leverage RingSense™ AI for intelligent transcription, meeting summaries, and real-time coaching that help your teams perform at their best

## **Scalable for Any Business:**

From startups to global enterprises, Firefly and RingCentral deliver flexible solutions that grow with you.

## **Predictable Pricing:**

Enjoy transparent, subscription-based pricing without the burden of managing hardware or multiple vendors.
